80 YEARS AGO IN THE DOUBLE BOND

The following excerpt appeared in the December, 1938 edition of the Double Bond

BE GUIDED BY THE STARS

If you are in the habit of arriving at the Section meetings half an hour late and finding the meeting has not yet begun, your habit is ruined, for the meetings are starting on time this year. Unless you want to strain your ears on a back seat (our public address system is still being talked about), you had better adjust your schedule and your watch (in Niagara Falls, call 1152; in Buffalo, ask the operator for Time Bureau) so that you can arrive at the stated time, for we repeat, both dinner and meeting are starting on time this season.
